# NYC Mesh is looking for volunteers!

NYC Mesh is a non-profit organization dedicated to providing affordable, dependable, and equitable internet access to all New Yorkers.

We are looking for volunteers who are interested in helping grow our network!

We need help with:
Network Design/Installation, Outreach, Software Development, Support, Graphic Design and Translation!

We offer great opportunities to learn a variety of new skills!
No previous experience needed!

Scan the QR to join our volunteer team!
